

# OAKVILLE SOCCER CLUB

## MEDICAL FORMS

Each player must complete an [OSC Medical Form](#) after fall/winter registration. A copy should be kept with the Coaches and Team Manager at all training sessions and games. After the spring/summer season the documents can be brought to the Club where they will be shredded. If parent wish to opt out of completing a medical form for their child, then there is an opt out box on the form that they can check and sign.

These should also be submitted to the Technical Department for our records
