**CANDIDATE STATEMENT**

Please provide a brief explanation (150 words max.) as to why you would like to join the Oakville Soccer Club Board of Directors. Please include your educational and work experience.

With a long-demonstrated history of community service in Oakville, including coaching at OSC, I'm a passionate advocate for the positive impacts of soccer on our physical and mental well-being, especially young people, as they develop skills, learn as a team, grow as empathetic leaders, and live an active and healthy lifestyle.

As Brock University's Director, Government and Community Relations, a trusted former senior advisor to Ontario's Ministers of Energy, Infrastructure, and Colleges and Universities, and an experienced governance board member, I bring extensive expertise as a complex problem solver with strengths in strategic planning, risk management, public affairs, and the ability to grasp strategic challenges and opportunities with clear and effective leadership.

My core commitments are to unwavering integrity, enthusiasm for working with people of all backgrounds and perspectives, thinking through first principles, and a deep dedication to achieving the most positively impactful outcomes.

Thank you for your consideration.
