**CANDIDATE STATEMENT**

Please provide a brief explanation (150 words max.) as to why you would like to join the Oakville Soccer Club Board of Directors. Please include your educational and work experience.

I am a lifelong resident of Oakville and have been involved with the soccer community for many years as a sports instructor, coach and player. I continue to be passionate about sports and improving the lives of kids in our community. As a member of the board over the past three years - and acting as Board Secretary - I feel well positioned to take on another term to help the club grow and execute on its strategic initiatives. Having gone through the last three years with the club including managing the impacts of covid 19, helping to identify and hire a new executive director and helping to develop a new strategic plan I feel excited about what can be accomplished in another term.
