### **Statement of Interest:**

Please describe your motivation and reasons for seeking a position on the Board of Directors of the Oakville Soccer Club. What do you hope to contribute to the organization? (Maximum 250 words)

I am excited to apply for a volunteer position on the Board of Directors of the Oakville Soccer Club. As an Oakville resident, an active soccer player, and a member of the Oakville Dad Soccer Club, I have a deep personal connection to the sport and the community it brings together. Soccer has been an important part of my life, and I am motivated to give back in a way that supports its long-term growth and accessibility in Canada. Professionally, I am an AI technology entrepreneur with experience building and scaling data-driven platforms. I believe this background aligns well with the Club's need for strong governance oversight in technology, data, and responsible AI adoption. I can contribute strategic insight on technology direction, digital systems, and the thoughtful use of data to improve decision-making, member experience, and operational sustainability, while remaining firmly within the governance role of the Board. At this stage of my life, I feel a strong desire to serve the community that my family and I are part of. I would be honoured to contribute my professional skills, collaborative mindset, and passion for soccer to help Oakville Soccer Club continue to thrive and positively impact future generations of players.
