### **Statement of Interest:**

Please describe your motivation and reasons for seeking a position on the Board of Directors of the Oakville Soccer Club. What do you hope to contribute to the organization? (Maximum 250 words)

I am seeking a position on the Board of Directors of the Oakville Soccer Club because Oakville is home for me, and I care deeply about the strength of the community institutions that support families and youth development. OSC plays an important role in shaping positive experiences for thousands of local families, and organizations of this scale require disciplined, forward-looking governance.

I am the founder and CEO of ShyftLabs, a data and AI company that works with enterprise and public-sector organizations in highly regulated environments. Through this role, and through my experience as a YPO board member and a board member of tZERO, I have been directly involved in governance, legal and regulatory compliance, technology strategy, and risk management. My work regularly involves engagement with legal teams, municipal and public partners, and executive leadership on contracts, policy considerations, data privacy, and security.

On the OSC Board, I would focus on strengthening governance and compliance frameworks, providing informed oversight on technology, data systems, and cybersecurity, and supporting effective engagement with municipal and community partners. My motivation is to give back to Oakville which is my home.
