In case of inclement weather, the U13 Boys and Girls assessments will be rescheduled to Saturday, September 6th. The Girls and Boys U14-U18 assessments will be notified of a rescheduled date via email. An email will be sent out informing registered participants should this be the case.

Registration is required for all players **including existing players** who wish to participate in the assessments. This is to ensure adequate field time, staffing and equipment for the volume of players expected. It will also enable OSC to send venue/time change information (should there be any) to all who have registered as participating.
