## Competitive Program – Assessment FAQ

---

### **How does a player join OSC's Competitive Program (U13+ ADP-RDP or OPDL teams)?**

OSC's formal assessments are held annually in the Fall at the conclusion of the summer season. Assessment schedules are posted online and are open to all players.

***All OSC U13 ADP, U14-U18 RDP, U13 – U17 OPDL and League1 players are required to register for and complete the assessment process.***

### **Why do I have to register for assessments?**

This is to ensure adequate field time, staffing and equipment for the volume of players expected. It will also enable OSC to send venue/time change information (should there be any) to all who have registered as participating.

Non-registered individuals will not be permitted to participate in assessments under any circumstances. Players must register for each team assessment they wish to attend.

There is a non-refundable fee for assessments registration. This fee varies per team/age group and is available in the registration system. The fee includes a minimum of two/maximum of three assessment sessions and a numbered t-shirt that must be worn to all assessment sessions.

### **How do I register a player for assessments?**

Registration must be done online. Existing players can log into their registration account [here](#). Non-OSC players can create an account [here](#).

**\*Please note** – it is imperative that you check the email address linked to your registration account at the time of registration. All communication will be sent to the email address associated with your registration account.

### **When will program outlines, fees and additional information regarding ADP, RDP and OPDL teams be available?**

This information will be available in August/September on OSC's website [here](#).

### **How many teams will be at each age group/gender?**

The Oakville Soccer Club reserves the right to determine how many teams are available each age group/gender.

### **What if I miss assessments/open houses?**

If you miss assessments/open houses, you can contact OSC's Technical Department directly at [technical@oakvillesoccer.ca](mailto:technical@oakvillesoccer.ca) and inquire about an available assessment, however coaches are not required to accommodate requests.
