

Oakville Soccer Club Team Success Story

OSC is pleased to celebrate the success of our teams/players/members by posting articles and photos on our website and submitting these stories to local publications.

- Do not contact local media outlets directly. Your success stories will be passed on to the media by OSC after they have been approved.
- Please submit your materials within two days of the event using the [Competitive Team Success Story Submission Form](#). Please ensure that all fields are filled out and all the necessary information is included on the form.
- Send your story to the Director of Marketing and Communications at gsinclair@oakvillesoccer.ca
- Whenever possible, please submit a photo with your article. Keep in mind that photos should always be sent as a separate attachment. Photos for print publication must be high resolution and at least 1MB in size. You must indicate the full names of everyone in the photo from left to right.

OSC will pass on success stories to local media outlets, however publication of the article is at the media outlet's discretion. Sometimes there may not be room in the issue immediately following your submission, however, please continue to watch for your article as it will likely be published at a later date. OSC will strive to publish all stories on the Club's website and social media channels.
