

Oakville Soccer Club

2024 Summer Skill Development Program Quick Reference Guide

Schedule & Location

You will receive your group and schedule information the week of May 13th. This will be populated in your PowerUp account. Instructions for access will be emailed to the address on your registration account. Your session will be at the same time, on the same field each week.

All sessions will take place at the Pine Glen Outdoor Fields located at 1520 Pine Glen Road in Oakville. Requests to change start times will not be accepted.

Uniforms & Equipment

Players will receive their SDP jersey and ball at their first SDP session of the season.

Players will need to bring their ball each week.

Shin pads are always required and are not provided by the Club.

Soccer cleats are strongly suggested. Running shoes are acceptable.

Start Times

Start times are assigned based on registration numbers, birth years, staffing and skill level. As such, registrants are not able to select or request a start time. OSC is unable to make exceptions in this regard.

Friend Requests & Coach Requests

As SDP is a skills-based program, OSC is unable to accept friend requests or coach requests for this program. OSC is unable to make exceptions in this regard.

Coaches

SDP sessions are facilitated by experienced OSC Staff Coaches and are overseen by OSC's qualified Technical Leadership Staff Team.

Refunds

The deadline for refund requests is May 7, 2024.

Refunds or credits will not be issued after May 7, 2024. Please view OSC's Refund Policy [here](#).

Jewelry & Accessories

Please review OSC's Jewelry and Accessory Policy [here](#).

Weather

In the case of rain, sessions will still take place as scheduled. However, if dangerous weather conditions arise during the session, staff will decide whether to cancel or halt the session at the field. The decision will be made at the time of the program, and pre-cancellation is unlikely unless the Town of Oakville officially closes the field. Should the fields be closed, participants for both Friday and Sunday sessions will receive email notifications by 4:00pm on Friday afternoon.

During heat warnings, sessions will proceed, but additional water and rest breaks will be provided to ensure participants' well-being. Efforts will be made to reschedule sessions canceled due to weather, though it is not guaranteed. Rescheduled sessions may occur on a different day than the regularly scheduled programming and are subject to field availability and staffing. To view our policy, [click here](#).
